YOUR 'HOUSE AND HOME' INSURANCE POLICY

This is **your** insurance Policy setting out the terms of the contract **you** have made with The Salvation Army General Insurance Corporation Limited, known as SAGIC, and the other insurers as named in the Policy, for the **period of insurance** stated in **your** insurance schedule. When **your** Policy falls due for renewal and **you** decide to renew the insurance with **us**, **you** will receive an up-dated Schedule, which should be inserted in this booklet.

You are requested to read this document carefully to gain a full understanding of what is and what is not covered by this insurance Policy. There are some words in the Policy text that need to be defined so that their meaning in the context of this Policy is understood. These words are shown in the 'LIST OF DEFINITIONS' and they bear the defined meaning where they appear in the Policy wording in bold italic print.

This Policy wording provides details of all of the cover that is available. **Your** Schedule sets out the Sections of the Policy that **you** have decided to purchase and, where applicable, the items insured, sums insured, limits, **excesses**, etc. **You** should examine the details carefully to ensure that the information shown is correct. If any changes are necessary or **you** wish to change any of the cover by purchasing additional extensions or cancelling an existing extension, please contact **us** immediately.

The 'GENERAL CONDITIONS' and 'EXCLUSIONS', which apply to the whole Policy except Section 7 – Family Legal Protection, are very important and should be given close attention. **You** should also give close attention to the conditions and exclusions applicable to Section 7 if **you** have purchased it.

The Application and the Declaration completed by **you** and all the information **you** supplied during the proposal stage are incorporated in and form part of this Policy, this information will be sent to you in the form of a statement of fact for you to check.

It is important that the information contained in the Statement of Fact is correct as this may affect your cover, if you wish to change anything you must contact us immediately.

In return for the payment of the premium by **you**, **we** will provide insurance in accordance with the Policy cover for those Sections shown in **your** Schedule.

LAYOUT OF YOUR POLICY

It is important that **you** know how to make a complaint or **claim** under **your** House and Home insurance so the details of the **Complaints Procedures** and the **Claims Procedures** appear at the front of the Policy booklet.

General Exclusions and **General Conditions** are a very important part of the contract, so to enable **you** to find them easily, appear next in the Policy booklet. These exclusions and conditions apply to the whole Policy with the exception of Section 7 – Family Legal Protection, which has its own Exclusions and Conditions.

Next, **we** set out the insurance coverage available under the Policy. **Your** insurance schedule sets out the details of which sections of the Policy **you** have purchased and so apply to **your home**.

Finally, **we** know that a **claim** does not only affect **us**, but also causes **you** inconvenience and distress so **we** have included some useful advice on precautions to take to reduce the possibility of loss in certain circumstances.

The full layout of **your** Policy is shown under the heading contents overleaf.

If a claim is accepted under this insurance, **We** will appoint **Our** panel solicitors, or their agents, to handle **Your** case. **You** are not covered for any other legal representatives' fees unless it is necessary to start court proceedings or a **Conflict of Interest** arises. Where it is necessary to start court proceedings or a **Conflict of Interest** arises and **You** want to use a legal representative of **Your** own choice, **Advisers' Costs** payable by **Us** are limited to no more than (a) **Our Standard Advisers' Costs**; or (b) the amount recoverable under the Civil Procedure Fixed Recoverable Costs Regime, whichever is the lower amount.

The insurance covers **Costs** as detailed under the separate sections of cover, less any **Excess** up to the **Maximum Amount Payable** where:

IMPORTANT CONDITIONS

If **Your** claim is covered under a section of this policy and no exclusions apply then it is vital that **You** comply with the conditions of this policy in order for **Your** claim to proceed. The conditions applicable to this section are contained under the 'General Conditions' section below and should be read carefully. Some of the main conditions to this insurance are that:

Prospects of Success

There must be a 51% or greater chance of winning the case and achieving a positive outcome. A positive outcome includes, but is not limited to, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which best serves **Your** interests. The assessment of **Your** claim and the prospects of its success will be carried out by an independent **Adviser**. If the **Adviser** determines that there is not a 51% or greater chance of success then **We** may decline or discontinue support for **Your** case.

Proportional Costs

An estimate of the **Costs** to deal with **Your** claim must not be more than the amount of money in dispute. The estimate of the **Costs** will be provided with the assessment of **Your** case and will be carried out by the independent **Adviser**. If the estimate exceeds the amount in dispute then **We** may decline or discontinue support for **Your** case.

Duty of Disclosure

If this policy covers **You** as a private individual, unrelated to any trade, business or profession, **You** must take reasonable care to disclose correct information. The extent of the information **You** are required to disclose will be based on, among other things, the type of insurance, explanatory material and the clarity and specificity of the questions **You** are asked when **You** took out this insurance.

Freedom of Choice

Only at the point it may be necessary to start court proceedings do **You** have the right to choose an **Adviser** of **Your** own choice to act for **You**. Should **You** choose to do so, **We** will only pay **Standard Advisers' Costs** up to the amount specified in the **Maximum Amount Payable** definition and may, at **Our** discretion, vary from time to time.

It is important that if **You** decide to choose **Your** own **Adviser** that **You** ensure they are suitably experienced and competent to act on **Your** behalf, **We** will not be able to provide any advice or guidance in relation to choosing a non-panel **Adviser**.

ADVICE TO ASSIST YOU IN REDUCING THE POSSIBILITY OF LOSS

If any of your property is lost destroyed or damaged by an insured event, you will be entitled to make a claim. However, a claim payment cannot recompense you for the inconvenience you suffer as a result of the incident, especially if it results in you having to move out of your home while repairs are carried out. Therefore, we are including some advice to assist you in reducing the possibility of loss, to our mutual benefit.

The areas of advice have been linked to the damage most likely to occur or most likely to cause you a great deal of inconvenience, i.e. Fire, Burst Pipes, Flood, Break-ins, Theft, etc. It is not a condition of the insurance that you follow this advice, but if you can demonstrate that you did, the claims process is likely to be more straightforward.

Some of the advice from different Sections should be followed in particular circumstances, so please familiarise yourself with all of the following. For example, if you were going away on holiday during the winter months it would be appropriate to follow 2.c. or d. and 4.i.

1. FIRE

- | | |
|--|--|
| Lives are lost each year due to fires. | (a) Install smoke detectors – at least one in the hallway on each floor. |
| Overloaded electrical sockets cause fires. | (b) Check electrical sockets. If you discover too many plugs connected to one socket, spread them around.
(c) If you do not have enough sockets, have more installed.
(d) Consider having a residual contact breaker fitted. |
| Chimneys with excess deposits in them cause fires. | (e) If you have an open fire:
(i) Have the chimneys swept regularly.
(ii) Use a fire guard but do not hang clothes on it. |
| Clothes drying near to heaters cause fires. | (f) Do not place clothing near to heating appliances. |
| Children playing with matches cause fires. | (g) Don't leave matches where children can reach them. |

Overheated cooking oil causes fires.

- (h) Do not leave hot fat or oil unattended on a cooker.
- (i) If it catches fire, smother it with a damp cloth or blanket. DO NOT POUR WATER ON IT!

Faulty gas appliances cause fire and, more importantly, deaths.

- (j) Have gas appliances checked regularly to ensure they are:
 - (i) Working properly.
 - (ii) Not leaking carbon monoxide or exhaust gasses.
- (k) Never cover the appliance or its air vents.

2. BURST PIPES

Pipes are vulnerable to burst if frozen. A main inlet can pour out 300 gallons of water through your home in a single hour. If you are away when this happens and action is not taken promptly, the effect can be devastating.

- (a) Protect your pipes and tanks with proper lagging.
- (b) If you have a frozen pipe use gentle heat to defrost it, e.g. a hot water bottle and don't leave it to thaw on its own - it may burst when you are not there!
- (c) If you are going away during winter, leave your heating on at the normal setting. During very cold weather it is not sufficient to have the heating come on for an hour or two each day.
- (d) If you do not want to leave the heating on, then turn off the central heating, turn off the mains stopcock and drain down the water system.
- (e) If a pipe bursts while you are at home, turn off the stopcock and the central heating then run all of the taps to drain the system.

Faulty stopcocks can add to the severity of a Burst Pipes loss.

- (f) Know where the stopcock is so that you can turn it off in an emergency.
- (g) Make sure the stopcock can be turned on and off. If it cannot, then call a plumber to rectify the fault.

3. FLOOD

Flood can cause devastation to a house and may take many months to dry out.

If a house is dried too quickly, problems may develop over time and mould may form.

- (a) If you receive a flood warning, move as much as you can to upper floors, especially valuable items.
- (b) Take advantage of any offers of physical protection devices, e.g. sandbags.

4. BREAK-INS

Break-ins tend to increase at time of economic difficulty. The damage done to your home could be traumatic and stolen items of sentimental value are impossible to replace.

- (a) Install a burglar alarm, make sure it is visible, use it and maintain it.
- (b) Make sure that your exit doors have good mortice deadlocks (at least 5 lever) and your windows have adequate security devices and that you use them when you leave the house.
- (c) Check that your doors are strong enough.
- (d) Fit exterior security lights of the type that come on when someone approaches.
- (e) Use time switches to give the appearance of your home being occupied when you are out.
- (f) Keep cash, keys, car keys and credit cards out of sight. Do not leave keys on a key rack near to the front door.
- (g) Do not leave large quantities of cash or expensive jewellery in your home.
- (h) Join a neighbourhood watch scheme.
- (i) When you go away, cancel the milk and papers and try to arrange for a friend or neighbour to visit occasionally.

make sure everything is alright and to ensure that mail does not accumulate where it can be seen.

- (j) Use marking equipment so that any stolen property can be identified.
- (k) Take photographs of expensive items for use as evidence in the event of loss.

5. THEFT FROM GARDENS AND OUTBUILDINGS

Theft from gardens and outbuildings is prevalent.

- (a) Do not keep high value items in your shed, e.g. sets of golf clubs, etc.
- (b) Lay out your garden, especially the front garden, to reduce the cover for intruders who want to break into your home, shed, etc.
- (c) Ensure that outbuildings, especially sheds and garages, have adequate locking devices and that locks and hasps & staples cannot be by-passed by unscrewing them.
- (d) Lock away tools and ladders.
- (e) Motorcycles, trailers and cycles should be locked to ground anchors (N.B. these items are not part of the contents for insurance purposes).

6. THEFT OF MONEY AND CREDIT CARDS

The loss of money and/or credit cards, especially when stolen, can be extremely inconvenient.

- (a) Do not carry your purse or wallet where it is obvious and vulnerable.
- (b) Do not keep pin numbers near credit and debit cards.
- (c) Report stolen credit, debit and bank cards immediately so that they can be stopped before the thief has time to try to use them.

7. THEFT OF BICYCLES

A large number of bicycles are stolen each week and it is not unknown for a person to have four or five bicycles stolen over a period of months.

- (a) Whenever you leave your bicycle, even for a few minutes, make sure it is locked to an immovable object using a good quality lock.
- (b) If you have quick release wheels, take the front wheel off and put the lock through both wheels.
- (c) Make a note of all distinguishing details and take a good quality colour photograph for use by the police in trying to identify your bicycle from others they recover.
- (d) If possible, get *your* local cycle dealer to stamp *your* postcode on the frame.

- (a) All our policies include an excess of at least £1,000 (please refer to your schedule for individual details of your policy) for claims relating to subsidence.
- (b) If you notice cracking or movement, please contact SAGIC however we will then request you arrange for a survey to be completed by a RICS surveyor (Royal Institution of Charters Surveyors) the report should then identify the cause of any damage.
- (c) Should cover be accepted under the policy the cost of the survey will be considered against your excess
