## Why do I need insurance?

To protect your contents and personal possessions while living in Halls or shared student house against risks such as fire, theft and flood. The policy also includes, as standard, £5,000 accidental damage to landlords contents, fixtures and fittings.

## What cover do I have?

Your college has chosen to provide you with this basic cover as part of your accommodation charge in line with the summary of cover. You can top this up and such top up cover will be in addition to the basic cover provided by the college. You will arrange and pay the extra premium for the top up via S-Tech Insurance Services directly.

## Why should I top up?

To ensure such items as laptops, mobile phones, musical instruments and bikes have adequate cover in the event of loss or damage.

## When does the cover operate?

The cover provided by the college only operates whilst you are resident in accommodation provided by the college. This will include possessions left securely stored in college accommodation where your college has included this optional cover for vacation periods. The cover is based on the main college residence you specify. If you move address the cover will cease unless you advise us.

## What is meant by high risk items and valuables limit of £1,000?

All items of this type are insured to a maximum value of £1,000 whilst in your college room unless you have opted to top up this cover. High risk items and valuables are any of the following: television, radio, recording and audio equipment, jewellery, gold, silver and articles of precious metal, personal computers, clocks, watches, cameras, pictures, works of art and musical instruments.

## What is meant by Personal Possessions?

These are items that are kept on or about your person and taken outside the college room, eg items such as valuables, personal effects, clothing & mobile phones. They have a £200 single item limit unless you opt to top up this cover.

## What is Accidental Damage and why do I need it?

The policy automatically includes Accidental Damage to college/ landlord's contents, fixtures and fittings but not accidental damage to your own contents. This cover includes damage such as dropping, spilling or knocking something over. You can add this for your own contents by visiting the following website [www.s-tech.co.uk/students-insurance-top-up/](http://www.s-tech.co.uk/students-insurance-top-up/)
